Mellenville, NY 12544

Dear friends at Coarc,

We are overwhelmed by your donation of \$2,055 to aid in our recovery after Hurricane Harvey. The Arc staff, board of directors, and community we serve here in Beaumont say thank you for your generosity and support. We have been amazed at the kindness shown to us from Arcs across the nation, and believe it speaks to the strength of our organization.

Your donation will help The Arc continue to provide services that give adults with intellectual and developmental disabilities the opportunity for socialization and self-advocacy and provide much needed parent support and mentoring for parents of children with intellectual and developmental disabilities.

Again, we thank you for your contribution.

Sincerely,

Teri Hawthorne  
Executive Director
