Coarc, a 501(c)(3) non-profit organization, is the Columbia County Chapter of The Arc New York and a member of The Arc United States.

2025 Membership

Dear Friend,

Since 1965, Coarc has provided supports and services to people of all ages who live with intellectual and developmental differences. Each and every day, we continue to expand abilities, one person at a time.

While we celebrate our 60th anniversary, we must continue working to ensure full equality and inclusion in society for the people we support. Our advocacy is a critical component of this work.

Your 2025 membership is vitally important. By becoming a Coarc member, you're also supporting The Arc New York and The Arc United States while advocating for an important message: disability rights are human rights.

In addition, your membership helps us achieve more voting power in our state organization and provides enhancements to our programs and services, such as; recreational activities, art programming and volunteer activities.

Please join us in standing for the rights of the people we support to live abundantly and have every opportunity to achieve their dreams.

Thank you for becoming a 2025 Coarc member. We are grateful for your support.

Sincerely,
Karen Amanna, CEO
Tracy Cantele, Board President
Annette Dennis, Membership Committee Chairperson
