

You Create Possibilities. Become a Member!

2018 Membership Drive

Dear Friends,

For over 50 years, Coarc has supported people with disabilities in our community. We could not do it without you. With your help, Russell has a full-time job and is proud to be earning a paycheck. Jace struggled to engage with others, now he enjoys talking and playing with his peers. Mark and Mary Ellen Harris live in a home of their own. Roman, with support from his staff, climbed a mountain!

This year, more than ever, renewing your membership or becoming a new member is vital to the work we do. If you believe in our mission, we ask that you show your support today.

With your membership, we will continue to create possibilities. Together, we can protect the rights of people with disabilities and support their full inclusion and participation in the community. Your membership matters. Together, let's make our voice heard!
