

## Cardinal Hall Day Habilitation

Cardinal Hall provides a safe and engaging environment where people supported participate in meaningful daily activities, build life skills, strengthen independence, and develop strong social connections. The program fosters creativity, celebrates individuality, and promotes a sense of belonging for every person who walks through the door.

Tony Merante, Director of Day Habilitation Services and Kerri Surrano, Program Manager, along with 22 teammates, support 48 people at Cardinal Hall.

# Achievement Spotlight

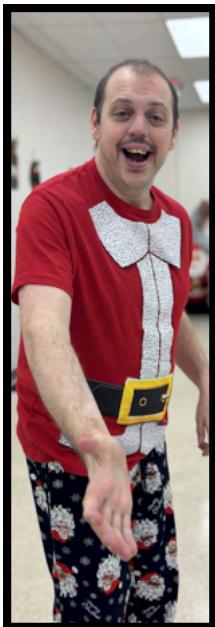

## Robert Lasher

Robert successfully assisted Cardinal Hall in creating a new community connection this past fall with Columbia Opportunities. He helped load food into the van to support families in need. This partnership was new and Robert was excited not only to help build this new relationship, but to make a positive difference in the community. He has a great sense of humor and loves to make others laugh. He is a big country music fan and shines during karaoke Fridays, bringing joy to the whole Cardinal Hall community.

"Robert is always the first to step in wherever there's a need. His willingness to help, no matter the task, makes a meaningful impact on our day and on our community." Kerri Surrano, Program Manager

Cardinal Hall is known for theme weeks that build teamwork, promote learning, and make every moment memorable. Spirit Week, Holidays and Dancing through the Decades are just a few of the celebrations people enjoy.
